Topic-Paragrap

Write and learn the given Paragraphs.

6. In India, the season 'winter' is liked very much by everybody. Write your views about this season in about 75 words.

The Winter

The winter is the first season of the year. It comes after the rainy season. In India it sets in November and ends in February. It is a very pleasant season. The air is cool and fresh. The days are shorter while the nights are longer. But the days are very pleasant. Sometimes, the nights are very cold. We use woollen clothes- jerseys, coats, sweaters, shawls, scarfs and mufflers to keep ourselves warm. We like to bask in the warm sunshine. Winter is also the time for festivals like Diwali, Christmas and Makar Sankranti.

7. Every child looks forward to the summer vacation. It is a time of enjoyment for them. Write in 75 words about the season 'The Summer' in your own words.

The Summer

The summer season begins in March and ends in June. It is a very hot season. June is the hottest month of summer. In summer, it starts getting hot from morning. It remains hot till midnight. We like to sit under the fan. Unbearable hot wind blows the whole day. We wear thin cotton clothes. We feel very lazy. Many people go to hill stations in summer. Summer is the season of ice-creams and cold-drinks. It is also the season of sweet and juicy fruits like mangoes, oranges and watermelons. School children enjoy a long summer vacation.
