A1. (a) Tools used by a carpenter are plane, screwdriver, drill, saw and hammer.
(b) Tools used by a painter are brush and colours.
(c) Tools used by a gardener are trowel, cutter, spade and scissors.

Q2. Why are women so successful today in different occupations?
A2. Earlier, women were not encouraged to go to schools and colleges, nor allowed to take up a job. Only men worked to earn money. Nowadays, a lot of women are getting educated and taking up jobs which were once taken up only by men. Many women have excelled in their professions
because they are accepting new challenges.

Q3. Do you think every work is important, whether it is highly paid or low paid? Why/Why not?
A3. Yes, because an architect, engineer or doctor is not skilled to do the jobs of a carpenter, cobbler, potter, weaver, etc., and day-to-day life cannot be imagined without these skilled people. So, every work is important whether it is lowly paid or highly paid.
